SOUTH DAKOTA

CONSTRUCTION CAREER ACADEMY

Are you looking for a summer job that pays well, earns you college credits and can lead you to a career in the construction industry? The Associated General Contractors of South Dakota in collaboration with Western Dakota Tech has created a summer hands-on Construction Pre-Apprenticeship program that will give you the chance to earn while you learn. Through a blend of classroom instruction at Western Dakota Tech and on-the-job training, you'll have the opportunity to learn from the best in the business. This program is for high school rising seniors.

HOW THIS WORKS

You'll interview with construction professionals to determine job requirements and opportunities. If selected, you'll receive paid training including classroom instruction, lab construction projects and on-the-job training.

WHAT YOU'LL LEARN

- Safety (OSHA 10)
- Basic Hand and Power Tools
- Construction Basics
- Soft Skills Essential to Job Success
- Career Awareness

WHAT YOU'LL EARN

In addition to great experience and five college credits, you'll earn \$12.50/hr.

APPLICATION DEADLINE IS APRIL 15TH!

"The Academy was truly a life-changing experience. Not only did I get classroom and on the job experience. I made friends that support my goals and met many people in the industry that truly wanted to help make my dreams come true!" -Elizabeth Searles, Academy Graduate

Don't wait, this program has limited enrollment and will fill fast! For more information call Margaret Pennock at AGC of SD at 336.9338 or email margaret@sdagc.org
