

A large yellow spotlight beam illuminates the top half of the page. At the top corners, there are two spotlights pointing downwards. The text 'In the Spotlight' is centered within the beam. The word 'Spotlight' is significantly larger than 'In the'.

# In the Spotlight

## **WE DELIVER ELECTRICAL SERVICES IN MANY INDUSTRIES**

When you have projects that require on time, under budget, with a high quality of professionalism, look no further than Global Synergy Powers. We have the most highly trained, skilled electricians with years of experience working as a team to deliver "Global Synergy Powers" to our clients.

### **GEORGE POSEY, CEO & MASTER ELECTRICIAN**

With over 20 years of electrical experience, Mr. Posey has an extensive background in a wide variety of industries. Mr. Posey is a Master Electrician licensed in Minnesota, South Dakota, Nebraska and North Dakota. His vision for Global Synergy Powers is to create a successful company built on integrity, excellence, and giving back.

Our experienced electrical teams give us the diversity and experience needed to determine your electrical needs and solutions. Projects are managed based on deliverables, timelines, budgets and 100% client satisfaction. When you put our teams to work for your electrical needs, we're committed to safety, performance, and professionalism.

Here's just a few of the exciting projects we've completed:

- ✦ LED retrofit lighting for warehouses
- ✦ Electrical upgrades and installations for commercial sites
- ✦ LED lights installations for parking lots
- ✦ Electrical and lighting installations and upgrades for residential customers
- ✦ Fire alarm system installations for fire and security companies
- ✦ Digital display advertising board installations for the hospitality industry
